

Those You Love Will Always Come First

After taking care of your loved ones in your Will, consider making a gift to ensure the highest quality of elder care in our community. You may feel that once your estate is settled there will be little left, but no gift is too small to make a difference. Every gift combines with other gifts to move us all towards achieving our compassionate goals.

Your legacy gift can make a difference in everyday lives by funding:

- Specialized equipment such as lifts and wheelchairs which enhance the comfort and safety of residents.
- Recreation programs and activities, including our bus outings, arts and crafts, music therapy and pet therapy programs.
- Therapeutic Garden and grounds maintenance for residents to enjoy the serenity and tranquility of nature in the comfort of their home.

Making a small change in your Will can be simple and inexpensive. Every gift counts, no matter how small and your donation will reduce taxes payable by your estate. Ask your legal advisors to include a gift to the following:

NORMANNA FOUNDATION

Caring Through Trust and Respect for All

Leave a legacy of caring

Homes and care for the elderly

What will your legacy be?

Leave a gift in your Will to Normanna Foundation and leave a gift of caring. Your gift will help to provide excellence in comprehensive care and housing for seniors in our community.

Our Vision

Since 1944, Norwegian Old Peoples Home Association built facilities out of a desire to provide a culturally sensitive home environment for elder Scandinavian citizens who had immigrated to Canada. Today, that legacy continues with our resident mix reflecting the diverse cultures of Burnaby and neighbouring communities, beyond the original residents of Scandinavian origin.

The Foundation has a commitment to provide excellence in comprehensive care and housing for seniors through innovation and outreach and to expand and enhance our facilities in

response to the changing needs of our diverse community. We provide comfortable, safe and affordable homes for our residents while reflecting individual preferences and complex needs.

Home is where the heart is. We invite you to be a part of a caring community by leaving a lasting legacy to enrich the everyday lives of our residents.

How a Gift in Your Will Can Make a Difference

Our pressing priority is to enhance and expand care and programming – all integral to the health and well-being of our residents. Normanna Foundation is exploring opportunities to generate additional sources of revenues by building partnerships. We invite you to help provide the important “extras” and enhancements that bring dignity, comfort, safety and a high quality of life to those members of our community who need it most.
